# International Yearbook Communication Design 2013/2014

## Synopsis

It is a unique contemporary document of creative work in the entire communication design industry: The best and latest of the world's ever-increasing array of innovations in communication design are presented in this two-volume design book. Volume 1 features works from the field of corporate design, annual reports, advertisements and campaigns, book and magazine design, packaging design as well as illustrations and typography. Volume 2 ventures into terrains such as event and information design, TV and cinema spots, image films, web- and app-developments, sound design and video game design. Furthermore, the chapter "Junior Award" introduces the best works of young and rising international designers.
