Proverbs: Wisdom From Above (The Passion Translation)

Synopsis

Proverbs 1 and 2: Here are kingdom revelations, words to live by, And words of wisdom given To empower you to reign in life, written as proverbs by Israel s King Solomon, David s son. Within these sayings will be found The revelation of wisdom and the impartation of spiritual understanding. Use them as keys to unlock the treasures of true knowledge. The book of Proverbs is packed with incredible secrets of wisdom that awaken our hearts! We can expect a download of heavenly insights into our destinies, relationships, careers, finances, and every other aspect of our lives. Loaded with footnotes that clarify the sacred text, this translation will unfold the meaning of the proverbs written by King Solomon. The gift of wisdom from above is given by a generous Father who is ready to fill our hearts with all that we need to succeed in life and reign in Christ. Solomon was supernaturally infused with God s wisdom, and when God writes a book, it is more than meets the eye! A greater understanding awaits us as we listen to Proverbs: Wisdom from Above.

Proverbs Passion Bible....I enjoy reading this as a daily devotional reading. The way it is written is different than any other other translation I have read and I have them all. This is not a study bible. It is a devotional Bible. It can help you receive a better understanding and a deeper personal meaning of the scriptures. It is not a Bible that you would take to, Bible college, or a theology class or seminary. It was not written for that purpose. It was written for comfort. Kinda like going to your mom or dad for a hug. I am a 60 year man and I still need a hug sometimes.

Goodness gracious...I have never ever , ever, read the Word like this and I am an avid reader. It's

almost like Brian Simmons has taken the Word and poured it into a cup so you can drink it straight and I've only read the first five or six chapters of this book. I'm anxious to read more....but I am doing my best to pace myself. The way he has translated the bible makes me want to sit down and read it to my kids simply because I know...now there are no excuses. This thing is plain and you don't have to be confused.

I have always loved the book of Proverbs, but this translation has brought out so much meaning that I feel like I have learned a lot more of what was hidden. Beautiful language, in a very understandable manner.

I felt impressed to listen to the entire book of the Passion Translation of Proverbs--Wisdom From Above at one setting this morning! I wanted to share my observations of the experience. First of all it was very pleasant and not taxing. Not really more pressing than enjoying a long movie at one setting, yet so much more rewarding. It reminded me of the the old head cleaners we used to insert into our cassette players to clean our dirty heads. It was amazing to keep focus on these gems of wisdom to clean and renew my mind. Such large amounts of concentrated wisdom in one feeding wasn't overwhelming. The way that God has worked with you to weave the verses together was like a tapestry of blessing and a toolbox of practical scriptural tools. It helped me bring the broad to narrow in focus and these gems of wisdom into remembrance! Brian, thank you for undertaking this very important task. It is a precious treasure to the body of Christ! I look forward to repeating this again and also with the other books of scripture that you read audibly like this one! Thank you! Bob

Great book. Fresh taste of the revelation of God. When I called the Passion staff team for a delivery question, they were so nice! Definitely getting fresh revelation about God. So thankful! The author is the real deal, I have friends that have been greatly impacted by his life... !

I try to read a Proverb a day, and I have enjoyed reading it thus far! I had asked for the Psalms and/or Proverbs edition for Christmas this past year, and I received Psalms (which I have to say is my ABSOLUTE FAVORITE!). I highly recommend any and all of Brian Simmon's Passion Translations. Amazing man of God with great insights in the Passion Translation series! Can't wait for the book of Isaiah to come out!

I was raised on the King James Bible & it was difficult to change to the "New King James" so have

to admit I was hesitant when friends began to talk about this version. A friend brought hers for me to read & I was in awe of how it deepened my understanding and opened my heart to how deeply we are cherished by our wonderful Father! I now have almost every book of the Bible he has done and look forward to more.

Bought it to go with the journal. Love it! It asks you to ask God to help you answer the questions. Definitely something I needed because it helps you get to know yourself a little better. Helps you build a better stronger relationship with God where you know He's there to help you with every little and big thing in life.
