Language: English

ASIN: B014I5QNJY

Best Sellers Rank: #16 in Books > Audible Audiobooks > Politics & Current Events > Current Events

Customer Reviews

Excellent book, but a little dated. We still don't have enough students from poverty in G-T programs, though and this book offers lots of information to help make that happen.

Excellent perspective, however several chapters seemed repetitious. Several times I found myself looking for data to support some of the authors statements.
