# Pusheen The Cat 2016 Wall Calendar

## Synopsis

The Pusheen 2016 Wall Calendar features an oh-so-cute Pusheen comic for every month of the year and a sheet of twelve adorable Pusheen stickers. Since Pusheen made her last appearance in a calendar, a lot has changed! She has upped her Facebook game to include over 8 million likes and is basically Queen Cat of the Internet, amassing 1 million blog subscribers and over 90,000 Twitter followers. She is also not only a blogging cat, but now a best-selling author cat. What hasn't changed is her tubby, tabby, fun- and cookie-loving self, which is showcased perfectly in this super-cute calendar starring none other than Pusheen the Cat. Â

## Customer Reviews

I've pre-ordered it and I can't wait! I love Pusheen! I'm so happy that there's another calendar! I bought last years and I love the bonus stickers too! I use them to mark Birthdays! I hope Pusheen calendars become a yearly release!

Fast delivery, and also a very cute addition for my Pusheen collection. I am so glad to have found this. What's even great is that the calendar comes with 12 cute Pusheen stickers. I may not use them anywhere to preserve them, and prevent wear. I'll keep them in a safe place, but on the desk. It is exactly what's described and shown online.

Adorable! All the picture for each month would make great posters after the year is up.

Looking forward to hanging my 2016 Pusheen calendar up at home in the new year! Normally I buy 'Nuns Having Fun' which is a great calendar. This time I couldn't resist Pusheen. My calendars need to make me smile and Pusheen does.

Such a cute calendar for kids and adults alike!! It's printed on nice heavy matte paper which is nice since i use it in my office and sometimes the fluorescent lighting creates glare off glossy paper. The illustrations are funny, well drawn and just flat out adorable. It will definitely be a hit with any cat owner since some drawings are very relatable. The stickers are an added bonus to stick on special days or anything else! Highly recommend!!

This is the cutest calendar ever. I love the character Pusheen the cat and this calendar came with adorable stickers that I use when I write cards. The calendar has boxes big enough to write a few words in each day of the month. I would definitely recommend this calendar!

I love Pusheen and I love the calendar and I love the drawings. The only complain is that the stickers are the same each year (I was eager to have new ones, so it was a little bit of a bummer.) But I will buy again and again this gorgeous calendar.

My 9 yr old is obsessed with Pusheen (why? got me!). Considering this cost less than the book (which takes all of 10 minutes to read and be done with), this calendar is longer lasting, and just as enjoyable. It is a nice quality calendar. I would recommend this for any Pusheen fan
