## Customer Reviews

Michael Sweeney's arrangements are terrific. We play them at school and I bought this book so I could have something to play during the break. The format of this book is Solo on the left page and Band Arrangement on the right. This is really good because you can go between the two if you don't want to 'rest'. The pieces are: Theme from Jurassic Park, Chariots of Fire, The Man from Snowy River, Forrest Gump--Main Title (Feather Theme), Somewhere Out There, The John Dunbar Theme, Raiders March, Apollo 13 (End Credits), Theme from E. T., Star Trek - the Motion Picture, and Back to the Future. Eleven pieces, arranged so well, for under \$10! I love it, Highly Recommend!

This book is well made and has a good number of movie favorites that kids will enjoy playing. Music selections are fairly current.
