Best Sellers Rank: #34 in Books > Audible Audiobooks > Language Instruction > German
#1998 in Books > Audible Audiobooks > Fiction & Literature > Classics #29035 in Books > Literature & Fiction > Classics

Customer Reviews

A great book to practice on if you are practicing your German. Not good for the total beginner - you should have some comfort with the language before tackling this one. The translation is before each paragraph. I read the book in English as a kid, it's fun to be able to read the original now.

I love this story. It was one of the first that we would read to our small children at night before bedtime. They loved it, too. This dual language format is perfect for practicing German reading. There is a paragraph of English followed by the same paragraph in German. Both are in the same font (although the English is in bold which I don't like). As another reviewer stated, I would prefer that the longer paragraphs be broken up in order that I could see the English and matching German on the same page. I view this on my Android with the Kindle App.

I had never read Heidi as a child, so when I started to learn German I looked for some first readers and found this. What I like is that it's broken into a paragraph of two in German than in English, if you're new to German it will be too advanced but you will be surprised how many words you will recognize. It is a book to progress with. And the story is timeless.

As a not-too-bad-German-speaker, I appreciate this book for its ability to refresh my reading and speaking skills of German (okay, Swiss German). Some paragraphs are long in both German and English. I would have preferred these to be split into smaller sections, to see both languages on the same page. I read the paragraphs out loud in English, then in German, to my children who are catching on to the rhythm and sounds of German. Great for quality time with the kids, on cold evenings around the fire.
