Customer Reviews

This book is a testament to the creative genius of Robert Best. The book showcases his illustrations paired with the dolls wearing Mr. Best's designs. And the photos of the dolls in the clothes are shot within sets, like a magazine spread. It's so great, I gave mine to a co-worker as inspiration. Not sure if I am getting back so I may have to buy another book. Such a smart move on behalf of the Barbie brand. It shows the evolution of what the Barbie brand has become under the design direction of Mr. Best.

My daughter loves this book. The photos are done so well along with the illustrations. Really well made and i know a bit pricey but one to keep for years to come.

The book and slipcase are lovely, but considering it's a celebration of ten years of the Silkstone collection, it is quite thin. Only a selection of all the Silkstone dolls by Robert Best are featured in this book, with brief descriptions by Best of his thought process while designing them. Most dolls detailed have only one page dedicated to them; in some cases the dolls are shown via their promotional images, in other, rarer, cases by one of Best's lovely sketches. While the end of the book does have a full list of all the Silkstones created, the thumbnails (less than 1"x1") are so small that you can't really get an idea of the dolls or the beautiful photography from them. I purchased this

book for \$20, which I think is a much fairer price than the \$40 listed on Barbiecollector.com (though it is listed as sold out there).
