A Little History Of Religion

Synopsis

In an era of hardening religious attitudes and explosive religious violence, this book offers a welcome antidote. Richard Holloway retells the entire history of religion - from the dawn of religious belief to the 21st century - with deepest respect and a keen commitment to accuracy. Writing for those with faith and those without, and especially for young listeners, he encourages curiosity and tolerance, accentuates nuance and mystery and calmly restores a sense of the value of faith. Ranging far beyond the major world religions of Judaism, Islam, Christianity, Buddhism, and Hinduism, Holloway also examines where religious belief comes from, the search for meaning throughout history, today's fascinations with Scientology and creationism, religiously motivated violence, hostilities between religious people and secularists and more. Holloway proves an empathic yet discerning guide to the enduring significance of faith and its power from ancient times to our own.

Book Information

Audible Audio Edition

Listening Length: 9 hoursÂ andÂ 9 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Audible Studios

Audible.com Release Date: August 15, 2016

Whispersync for Voice: Ready

Language: English

ASIN: B01GEQPE90

Best Sellers Rank: #29 inÂ Books > Audible Audiobooks > History > World #39 inÂ Books > History > World > Religious > General #51 inÂ Books > Politics & Social Sciences > Philosophy > Religious

Customer Reviews

One of those books that are illuminating and beautifully written. I was looking for introduction to the history of religion that maps the scene and to give an all over view, it delivers that in an intriguing way ! The structure is not exactly linear nor by a separate treatment of each religion, but like the author put it is more of a "zigzag "one. This structure succeeded in integrating a complex subject into one coherent and encompassing overview. The audio format is well narrated and has a soothing effect.

excellent and easy to read description of what religion is and its many variances.
