This first person style memoirs discover not only hero's life but bring some more - spirit of music era of 1920-1940s. I think it's the most valuable part of the book, e.g. - childhood in Graz, 1914 war, coworking with Bruno Walter, friendship with Richard Strauss. Also there are ideas about performing Mozart and Wagner, Strauss and Bruckner. And of course life story from childhood till 1970s. In addition there is brief editor article about Karl Bohm activities.
