Customer Reviews

All the music is very technically challenging, but extremely useful if you'd like to reach that level of playing. Let's you know what's required of you. Plus, it did come in handy. It's this year's All-State Orchestra audition music, and since I already bought it from here, I didn't have to wander around trying to find a copy like everyone else. Glad I bought it. It was in very good condition too. Very Happy.

great book however very ill treated order a new book and received one with creases and bents that only come from harsh treatment or years of use

Very good for practice! It's always good to touch up on technique. Nobody is perfect.

Excellent copy. Thank you so much. Will certainly order from this company again

Great product. Fast shipping!
