Kate's Style: Smart, Chic Fashion From A Royal Role Model

Synopsis

The moment Kate Middleton stepped in front of the camera with her then fiancÃ© Prince William to announce their engagement, a style icon was born. The electric blue Issa dress she wore on that day sold out in just 24 hours and sparked an international trend in "little blue dresses." Classic and ladylike, yet fresh and youthful, the Duchess of Cambridge's style has been like a breath of fresh air in a world that seemed to have forgotten the undeniable appeal of dressing like a lady. Now, author and lifestyle writer Caroline Jones captures that elusive style and tells us just how to create it in our own wardrobes. In *Kate's Style*, Jones offers a range of tools for achieving the Duchess's celebrated look. Readers will find--A visual timeline of Kate's outfits--from her days at university to recent royal tours and red carpet appearancesA directory of her favorite retailers and designersA fabulous collection of full page photos showcasing Kate's most iconic outfits, complete with pointers on how to recreate the look.*Kate's Style*, is the essential guide for Kate addicts and fashion lovers alike.

Customer Reviews

I just got the book & skimmed through it. It one of the best books on Kate's fashion, make up, hair, etc. out there. It doesn't get into the detail of Kate's journey to become Will's wife like *Kate Style* by Orme does. It just focuses on the fashion mostly after the engagement & wedding. They just touch on the engagement & wedding a little. Even talk about some of her early pregnancy choices and a nod to Pippa too. This is the most update book focusing on her fashion choices only-outside of a

few magazines like People-I have seen so far. If your a Kate chaser like me, you already have Kate Style by Orme & Kate Style Princess By Cywinski in your collection. I would highly advise adding this one. Pictures(clear & glossy-you see every detail) & details-a whole index is focused on her outfits & accessories .There are tips where you can find look-alike items. This book is so worth the price! Definitely a collector's item! I also want to add that there are some pictures that I have not seen. I am not into the blogs or the fan pages as others who follow Kate's every move closely. Their views are different than mine as far as this book is concern. I do want to mention "The Cecile" dress by Erdem Moralioglu. I got a identical copy of it from ASOS Cruve. Yes, I am a big girl on a budget who tries to get some of Kate's style in clothing & accessories whenever possible. ASOS dress ran about \$70.00 from their U.S. site. I was informed By Ashley Falcon(a writer for People Style Watch's Plus Size Style. Yes, she sometimes does answer fan questions/e-mails.) where to find some plus sizes in Kate's style. Another place she mentioned to look is Eloquii by The Limited. It has a similar dress(shorter sleeves) looking like the Issa's "Sapphire" dress worn on the engagement announcement. I paid about \$50.
