Marvelous book with sensitive piano arrangements that I've found easy enough to accompany myself as I sing. I bought it for "There Is a Fountain Filled with Blood" and it goes along with Selah's accompaniment CD and vocal parts, which I love. So I can learn the parts (has all the harmony parts also) and piano accompaniment from the book, then use the CD if I choose not to play the piano myself. Truly a book of music that will bless!

Finally a song book with the sheet music for "Great is Thy Faithfulness" by Selah in it!

We gave this book to my eldest daughter for Christmas. She loves it! She sat right down after she opened her gifts and went to town playing and singing! It is well put together, with great accompaniments to match! Just can't go wrong with the song selections in this book!

Great book - just wish I had checked the song listing before buying as there were a lot of duplicates of songs in some of the other Selah songbooks that I purchased.

LOVE IT! THANK YOU SO MUCH FOR MAKING IT AVAILABLE AND THE DELIVERY WAS TIMELY. THE MUSIC IS BEAUTIFUL AND SO SPIRITUAL. IT WARMs THE HEARTS OF THE SINGER AND THE CONGREGATION.

Worship along with SELAH's beautiful music. Makes you feel like one of the group with this easy songbook. Play piano or guitar or ???A lifetime treasure, really.

I wanted to have the actual music in front of me instead of learning the music rote. Also many of their songs are not available on performance track

Great songs, great harmony. They're the best!!! Great inspiration, songs that touch the heart and draw you closer to God.
