## Customer Reviews

I absolutely loved this book. I had been hesitant to order it, but it turned out to be one of the best books in my collection. It was full of information and pictures, and the quality of the book was first rate. It was one of the best purchases I have made and would not hesitate to recommend it to others. The quality of the writing made you feel like you were in Ireland, not just reading about it. I not only recommend it, but will be looking for others books by this author. thanks.
