Customer Reviews

i love these gift wrap paper books, they are gorgeous and convenient. mind that each sheet wraps a regular sized shirt box and not much larger than that. other than having a size choice, i enjoy this product very much. the paper is high quality and the designs pop and catch the eye.

Gorgeous designs! If you love middle eastern designs, this is perfect for you - so many uses too, I even just cut out a few of the designs and framed in the bathroom and guest room using inexpensive frames from IKEA - very chic!

I went to Istanbul a few years ago and it is probably one of the best cities I have ever traveled to in my life. I love Middle Eastern designs and knew I had to purchase this book of wrapping paper, that makes you never want to use it for it intended purpose. There are many great designs and vivid colors that will make any gift look more luxurious even if it is a pair of socks. For my sisters bridal shower I had two boxes to wrap, I decided to mix the patterns and it looked really interesting. I will be buying more creative paper designs from the all over the world from this company.

This book contains many different, clean-cut styles on high quality, sturdy paper. The presentation of it is pleasing as well.

really beautiful design and good quality press.. but each cover has 1 sample. it might be more. And desing of object are kind of big. smaller size are better has look ... but all in all very good.

These sets of wrapping paper are really beautiful. I have been using them to make paper beads, but I imagine they could be used in many different ways--even as wrapping paper!

The designs are intricate and unique, and colorful. The wrapping paper can be used for any occasion.
